STALLION SAFE REGULATIONS

1. Stallions should wear official 'discs' at all times whilst at the venue. These discs are to be worn on both sides of head collars and bridles or on some part of the horse on both sides to identify to others that the horse is a stallion.
2. No stallion is to be moved around a venue without displaying the stallion discs and without suitable restraint. The restraint can be a bridle, a rearing bit or a chain lead rein over the nose or under the jaw.
3. Where possible all stallions are to be stabled or yarded. If suitable stabling or yarding is not available stallions need to wear a collar, which is securely tied to the outside of a truck or trailer. Stallions tied to the outside of a truck or trailer **MUST** be supervised at all times.
4. Stallions may be substituted in prize-giving ceremonies with another horse should the rider deem it to be safer.
5. It is recommended that riders and handlers of stallions at shows be over the age of 17 years; however, it is the responsibility of the parent/guardian to understand the full code of conduct for stallions at events. With the exception of rule 1.1.8 in the Show Horse Rules and Guidelines, stallions are not permitted in Show Horse classes at EA State or Championship events. All riders/handlers under the age of 17 years must be supervised by an adult/parent/guardian whilst at the event.
6. It is the stallion owner's/rider's responsibility to ensure that all possible safety precautions are taken.
7. Floats/Truck that transport stallions should display the official magnet giving notice that there is a stallion on board.
8. These guidelines are consistent with Equestrian Australia's focus on improving safety by identifying risks and putting in place measures to mitigate those risks.

We are deeply honoured to sponsor the Heavy Horse Section of the Kyogle Show in memory of Harold Goebel—a man whose quiet strength and enduring passion left an indelible mark on this section.

Harold was a lifelong member of the Heavy Horse and Bullock team tradition, having grown up on the family farm in Sherwood where he learned the art of ploughing, seeding, and cultivating from his father. From a young age, he was immersed in the rhythm of the land and the power of working animals, forging a bond that would last a lifetime.

Though Harold spoke few words, each one carried the weight of wisdom and a deep love for the craft. Many in this ring remember him not just as a mentor, but as a steady hand—always willing to show others the ropes with patience and pride.

For decades, Harold showcased his beloved heavy horses across the Northern Rivers, and was a familiar face at local festivals, often helping friends parade their bullock teams. Even as modern machinery took hold, Harold remained true to tradition, hitching up his team to haul logs or plough paddocks the way he always had—with grit, grace, and reverence.

In his later years, illness kept him from the ring, but never from the show. You could still find him at the fence line, sharing stories and insights with those continuing the legacy—especially around the implements he knew so well.

Harold Goebel was more than a horseman. He was a steward of heritage, a quiet teacher, and a cherished soul whose legacy lives on in every hoofbeat and every furrow turned.
